However, based on documentation submitted by the attorney representing all claimants in the litigation, the claimant is not a named plaintiff in that litigation, and there is therefore no basis for the claimant to assert liabilities associated with that litigation against the Commonwealth, HTA, ERS, or any other Title III debtor. Further, even if the claimant were in fact a plaintiff in that litigation, that portion of the claim would be duplicative of Claim no. 152372, the master proof of claim filed on behalf of all plaintiffs associated with the litigation captioned Maldonado Colón

Reason: Claim purports to assert liabilities associated with the litigation captioned Madeline Acevedo Camacho et al. v. Puerto Rico Department of Family Affairs, No. 2016-05-1340 ("Acevedo Camacho"). However, based on documentation submitted by the attorney representing all claimants in the litigation, Claimant is not a named plaintiff in that litigation, and there is therefore no basis for claimant to assert liabilities associated with that litigation against the Commonwealth, HTA, ERS, or any other Title III debtor. Further, even if Claimant were in fact a plaintiff in that litigation, the claim would be duplicative of Claim nos. 32044 and 103072, the master proof of claims filed on behalf of all plaintiffs associated with the litigation captioned Acevedo Camacho.

Reason: Claim purports to assert liabilities associated with the litigation captioned Acevedo Arocho et al. v. Department of Treasury, No. KAC2005-5022 ("Acevedo Arocho"). However, based on documentation submitted by the attorney representing all claimants in the litigation, Claimant is not a named plaintiff in that litigation, and there is therefore no basis for claimant to assert liabilities associated with that litigation against the Commonwealth, HTA, ERS, or any other Title III debtor. Further, even if Claimant were in fact a plaintiff in that litigation, the claim would be duplicative of Claim Nos. 51013 and 103035, the master proof of claims filed on behalf of all plaintiffs associated with the litigation captioned Acevedo Arocho.

	Reason: Claim purports to assert liabilities associated with the litigation captioned Carmen S Cruz Hernandez et al. v. Commonwealth of Puerto Rico et al., Civil No. KPE-1991-0665 (Cruz Hernandez). However, Claimant is not a named plaintiff in the litigation, and there is therefore no basis for Claimant to assert liabilities associated with the litigation against the Commonwealth, HTA, ERS, or any other Title III debtor.

Reason: Claim purports to assert liabilities associated with the litigation captioned Juan Pérez Colón et al. v. Puerto Rico Department of Transportation & Public Works, Case No. KAC1990-0487 ("Pérez Colón"). However, based on documentation submitted by the attorney representing all claimants in the litigation, Claimant is not a named plaintiff in that litigation, and there is therefore no basis for claimant to assert liabilities associated with that litigation against the Commonwealth, HTA, ERS, or any other Title III debtor. Further, even if Claimant were in fact a plaintiff in that litigation, the claim would be duplicative of Claim nos. 30851 and 104175, the master proof of claims filed on behalf of all plaintiffs associated with the litigation captioned Pérez Colón. Because this objection does not constitute an objection to the other portion of the claim, the Debtors' reserve their rights to object to the remaining portion of the claim on any other grounds whatsoever.

A portion of this claim has been transferred into the Administrative Claims Reconciliation (ACR) process and will be resolved consistent with the ACR procedures. Because this objection does not constitute an objection to the portion of the claim in the ACR process, the Debtors' reserve their rights to object to the remaining portion of the claim on any other grounds whatsoever.
